## PASTOR'S CORNER

Rev. Mark Hinchcliff  
FPC Martinsville, VA

August 12, 2020

"Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows." James 1:17

I recently heard a story that really hit home when I'm looking for God in the wrong place. If you're looking for God as some divine vision in the clouds, you may be missing God's transforming power coming through the person standing next to you. The story I heard goes like this;

He had only one eye and his arm was almost torn off dangling by a thread. But this little girl loved her teddy bear known to her only by the name "Bear". She made a point to take Bear almost everywhere she went including her weekly attendance at Sunday School. In her class each week they always took time to pray to God for particular groups or individuals in need. This week her teacher suggested the class pray for those who were sick and hurting so the little girl prayed for Bear. While others were praying for hungry children around the world, sick relatives, and broken relationships, the little girl hugged her bear and asked Jesus to make her bear better.

By accident, the little girl left Bear behind. Overhearing the little girl's prayer, one of the teachers took the bear home and "healed" him. She replaced Bear's eyes with shiny new buttons, sewed his arm back on, and created some new clothes for the bear. When the teacher gave Bear back to the little girl on the next Sunday the little

girl had only one thing to say, "God heard my prayer"!

What the little girl would later learn is that sometimes God heals directly and sometimes God heals through others. Broken limbs and eyes, tattered clothes, or shattered lives God can show up in many ways. God is alive and well ready to fix things around us in the most unexpected ways. Pay attention and be ready to say thanks!

By the love of Christ,

Pastor Mark

***(excerpt from the PCUSA bookstore webpage)***

"The story of the Exodus has emboldened oppressed people for centuries. In it, God empowers human striving for freedom. Steven Parrish introduces six themes that reveal the character of God. God listened to the captives' suffering and responded. Through the wilderness, God sustained the people with food, water, and law. God promised to be present to the people. And God is merciful and gracious, as demonstrated in the golden calf episode. This volume includes material for

participants and guides for leading all six sessions."

The class meets Sundays at 9:00 AM by Zoom. Contact Denny Casey [d.a.casey@comcast.net](mailto:d.a.casey@comcast.net) for a book and to get your Zoom invite.

#### **A Note from the Editor**

Although regular church services have been cancelled and we are no longer meeting in person, I hope we all try to stay in touch with one another using any possible medium. Phone calls, face time, emails, etc. It is important that we look after one another during these difficult times and it's good to know we are not alone. While there are no regular happenings to report on, I would like to send out Steeple Views on a weekly basis so please feel free to share any news or updates with me and I will do my best to include them in the newsletter.
