"And He {Jesus} was in the wilderness forty days being tempted by Satan; and He was with the wild beasts, and the angels were ministering to Him." Mark 1:13 (NIV)

When you become accustomed to that usual response from people to the question of, "How are you doing?" and you wait for the answer, "Oh I'm doing fine!" but you don't get it. How do you react? Do you automatically stop and delve deeper to find out what may be troubling that person or how you might help? Or do you struggle with what to say and move on? A non response or sometimes even a worse response of pouring out your own troubles, doesn't seem to help anyone. Both parties can be left feeling helpless asking, "Just what can I do?" Helplessness can lead to frustration, depression, uselessness, anger, and eventually hopelessness! So, what's the solution?

For almost the last decade I have lived over 1,500 miles away from my aging father who lived alone. Oh, I would make the occasional flight to see him, check up on any medical issues that may need to be addressed, but most of the time he seemed to be doing fine which left me with a pretty false sense of security of his wellbeing. For years I would call him at 7:00 o'clock on Thursday evenings to get that "I'm fine" response but a little over a year ago an EMT answered the phone saying, "I'm taking your father to the hospital now but I'm not sure if he's going to make it." Fifteen hundred miles away and no one to call, that feeling of helplessness was rapidly heading towards hopelessness! For a moment I just froze and didn't seem to be able to make any decisions or take any action. The other end of the phone line however was pressing me for an answer. "Mr. Hinchcliff, what do you want me to do?"

My fear had led me to an almost total paralysis but fortunately my wife saw the look of shock on my face and took the phone. She passed my medical authorization on for my father and bought me enough time to pull myself together. She reminded me I was a pastor who always knew what to do for other people's family members when similar situations arose. So, I stopped, prayed, and asked for God's guidance to lead me to what to do next. Helplessness is a feeling that all of us will have to experience sometime in our lives. It's an emotion given to us as a gift from God! The key is what we do with that emotion after it becomes a reality. That's when Jesus became the inspiration that I needed in that moment!

I cannot imagine what Jesus was going through with as He went through the temptations in the

wilderness. Being fully human he probably experienced a full range of emotions as I did that could have led to a shut down, yet in the midst of His encounter He was ministered to by divine intervention, strengthened, and encouraged. My father has since passed on but not before I could be by his side and thank God for his life. My hope came from my faith and His working through others around me.

Never forget that God is our hope and our strength. He is very present in times of trouble, waiting to renew us with His Spirit. Next time someone asks you, "How are you doing?" I challenge you to answer honestly and look for how God is going to comfort you in that friend, your prayers, and your faith! So how are we going to get through this Pandemic? You know where to look.

One Great Hour of Sharing

I ask you to consider what special gifts you might have to share with the world at this time, and urge you to reach out to each other and discover how much of a blessing it is to share! What might you do to encourage another? We seem to have much more time on our hands than we usually do. How might you invest your time? Do you have special talents that you have set aside due to the pressures of a busy schedule? I hope that Cynthia is relishing this time alone and is creating more glorious music for praising God! Do you find that your finances are solid? Please check on those that you love, and do not assume that they have enough finances, food, and confidence to be comfortable.

If you would like to give a donation, please consider both our own church, and the One Great Hour of Sharing. There is a PayPal button on our [church's website's homepage](#), and you can discover more information about the One Great Hour of Sharing by visiting this weblink: <https://specialofferings.pcusa.org/offering/oghs/>

Presbyterian Women

The videos for lessons **six, seven, eight, and nine** from the DVD for the Bible Study on ***Love Carved in Stone: A Fresh Look at the Ten Commandments*** by Eugenia Anne Gamble is available **on the PW YouTube channel**.

Through a partnership between Carilion's Community Outreach and Robert L.A. Keeley Healing Arts program, local churches and organizations are ringing their bell towers during shift change as a way to honor and support health care workers who are caring for our community during this time. First Presbyterian is participating in this! Listen for our bells at 7 AM and 7 PM!

Coronavirus Testing Site

(from the WDBJ website)

What is typically Martinsville and Henry County's biggest symbol for fun and entertainment, the Martinsville Speedway, has now become a battleground in the fight against COVID-19 as a testing site.

"If you are not testing you are not finding, so as we begin testing I suspect we will find more cases." said West Piedmont District VDH officer Kerry Gateley.

When the first case of the coronavirus in Henry County was reported March 30, the Harvest Foundation announced it would provide \$300,000 in funding to open the site.

"Bringing everybody to one site to test after a prescreen was what our medical professional thought would be best in this situation." said Allison Rothrock, Harvest Foundation President.

Equipped with 200 testing kits, the site will offer drive-thru testing for Martinsville, Henry County, and Patrick County residents with a doctor's recommendation.

VDH says a space like the speedway is logistically an ideal testing site.

Adult Sunday School

We are so blessed to have this opportunity to study God's Word together.

Please let Denny or Sam know if your are interested; d.a.casey@comcast.net or sfsmith@mail.roanoke.edu.

Youth Sunday School

Our Youth Sunday School class will continue to meet via **Zoom** on **Sunday afternoons from 3-4:00pm**. We will be sampling lessons from Group's Live Curriculum. We'll also take time to check in, hang out, and maybe even play some games! If your middle or high school child would like to join us, now would be a great time to, please contact Sam (sfsmith@mail.roanoke.edu) for an invite link to the Zoom meeting.

Treasurer's Update Concerning Current Environment

CARES Act Impact on Peaks Churches

The Presbytery website has posted a summary of the CARES Act and its effects on Peak Churches. The article can be found by navigating to the Presbytery website: <https://www.peakspresbytery.org/resources-presbyterian-churches-congregations-worship-virginia/community-voices.html> and selecting the last link titled "CARES Act impact on Peaks Churches (information for April 7 Webinar)"

Dear Brothers and Sisters in Christ,

Even though the doors to the church building are closed and our congregation is dispersed into our individual homes for the foreseeable future, we are still bound to each other through the love of Christ and the presence of the Holy Spirit. Your Agape Team has been working to contact all of the members of our congregation to touch base with you, visit with you, and check on your needs. The Agape Team will contact you periodically, but if you want to talk or if you need help with getting groceries or supplies before they contact you, please feel free to contact any of our Agape Team. We are here for you. Also, each of us is charged to care for one another, so if you feel God calling you to reach out to others please do so. We are all Christ's church together.

"Beloved, let us love one another, because love is of God...There is no fear in love, but perfect love casts out fear." 1 John 4:7; 18

Please remember
Canned Tuna or Canned Meat for Grace Network

Dear Friends,

Grace Network is continuing to help those in our community during the Covid-19 situation in partnership with the Harvest Foundation, the United Way, Salvation Army, Community Fellowship and the Henry County Food Pantry in Bassett. We have all come together to provide food boxes for those in need and will provide 5 locations to pick up these boxes each Monday from 9-2.

Grace is blessed to be part of this effort and when this is all over, we will go back to our regular services in providing financial services and food through our regular processes. The assigned food items from our church partners will become even more important on the other side of this quarantine with so many needing extra help to get back on their feet.

The new food item for First Presbyterian Church for the 2nd quarter is **canned tuna or other canned meats like chicken or ham**. Please consider donating extra when you are able to get out and about as your donations will become more important than ever. Please stay safe, stay healthy and please keep us in your prayers as we navigate these uncharted waters.

Blessings, Tracy

A Note from the the Editor

Although regular church services have been cancelled and we are no longer meeting in person, I hope we all try to stay in touch with one another using any possible medium. Phone calls, face time, emails, etc. It is important that we look after one another during these difficult times and it's good to know we are not alone. While there are no regular happenings to report on, I would like to send out Steeple Views on a weekly basis so please feel free to share any news or updates with me and I will do my best to include them in the newsletter. skirbycwj@gmail.com or 276 806-9709.
