## Pastor's Corner

Rev. Mark Hinchcliff  
December 9, 2020

“In the beginning was the Word and the Word was with God and the Word was God.” John 1:1

Growing up as a young child and all the way to adulthood, one of my favorite activities was visiting the local Planetarium. There were regular programs highlighting newly discovered stars and scientific facts about our galaxy and what lies beyond. But my favorite was a special program about the Christmas Star and the origins of certain traditions both Christian and other faiths. The program always began right after Thanksgiving and ran through the second week in December. It was free but limited to a small number of seating so my family always got there an hour early to stand in line. If we made it in my family and I considered it an early Christmas gift. We waited anxiously for the start of the show after we were assured a seat.

The show began as you peered up at a domed ceiling discussing traditions of the Christmas Tree, Christmas lights, Hannukah, and other traditions surrounding the Season. It was there that I first learned that December 25<sup>th</sup> probably wasn't the actual birth of Christ but rather a date surrounding the victory of Light over darkness, the Winter Solstice. It was the Church that decided on that date because the Winter Solstice marks the longest day of darkness of any time of the year and the planetary shift back across the sky towards the Sun bringing new life.

The Christmas tree was chosen as a symbol of sustained life even in the dead of winter. At the Winter Solstice an agricultural festival, which was celebrated by burning the evergreen trees, became the tradition of decorating the trees with lights. Jesus is recognized in Scripture as “the Light of the World” by bringing that “New Life” and so became the Christmas celebration.

Most Biblical scholars believe Jesus to be born in late April or May because of the reference to the birthing of newborn lambs in the fields which normally happens in the Spring or Summer of the year. The program then switches to a focus on the Christmas Star and the

night sky is projected on the ceiling and rolled back in time to exactly what the sky looked like over Bethlehem at that time. The scientist, in conjunction with the Bible, believes the most likely answer is the alignment of two planets and a star which happens only once every couple of hundred years. In addition, the Maji, or Three Kings, were astronomers who were accustomed to spotting unusual changes in the sky giving explanation to their discovery that others missed.

Jesus, known as the Living Word of God. According to John 1, was not only with God at the beginning of all time, but was God! Christmas is not only a beautiful tradition to celebrate but the World's chance to honor God and new life each year. Let's all join in.

Blessed be your days,

Pastor Mark

### **Christmas Joy Offering**

**The Christmas Joy Offering** has been a cherished Presbyterian tradition since the 1930s. Contributions go towards developing and sustaining our leaders. By giving to the Christmas Joy Offering, you honor God's perfect gift of Jesus Christ. This offering is an appropriate response to nurture members of the Body of Christ in their time of

need; funds of support are used to develop our future leaders and provide financial assistance to current and retired church workers. Half of the Christmas Joy Offering is distributed to the [Assistance Program of the Board of Pensions of the PC\(USA\)](#). The other half of this offering provides leadership development and education at [Presbyterian-related schools and colleges equipping communities of color](#).

The [Special Offerings of the PC\(USA\)](#) are celebrations of specific ways God has been made known to us. Each is connected to a season of the church year and mandated by the General Assembly to help the whole Church join together in response to God's grace. They represent the largest, collective way Presbyterians come together to work for a better world. The Offerings actively engage congregations in ministries of compassion, justice, hunger, Christian formation, education, peacemaking and global witness. We join other congregations in making an impact on the world.

Each year during the Advent and Christmas season, we turn our eyes to Bethlehem and celebrate the wondrous gift of Jesus Christ, our Savior. How may each of us honor God's perfect gift of his Son? What a loaded question to ask during Stewardship season! With all that God has given to us, how do you respond? How can you respond to the Love of Christ as you give and receive any and every gift this Christmas season?

Let us ask the Lord to teach us how to best respond as we read the Bible and pray for one another. God has blessed the Church with incredible leadership in every time and place. We need each other and your giving, participation and feedback is a gift! Leaders often need to be supported by their communities as well. God designed us to be social creatures, and our culture works most efficiently when we each turn to Jesus Christ and follow Him. We are blessed to have many mature believers at First Presbyterian Church who love, encourage and lead us.

Contributions for the Christmas Joy Special Offering can be made at [www.presbyterianmission.org/christmasjoy](http://www.presbyterianmission.org/christmasjoy) or mailed in to the church office.

***Reminder: Please turn in your pledge cards if you haven't done so yet. Let us be the church together and respond to God's love and grace for each of us.***

### ***Christmas Joy Children's Message (Sam's message for the First Sunday of Advent)***

The Advent season will of course lead us into Christmas so this is a time of year when a lot of us have just one thing on our mind: the perfect gift.

Maybe we are trying to *give* the perfect gift — it can sometimes be a challenge to find whatever this year’s “hot” item is.

Or maybe, if we aren’t too worried about *giving* the perfect gift, we are hoping to *receive* the perfect gift — perhaps we have even dropped one or two hints in the hope that just the right present will be under the tree this year.

So, it might feel strange to be talking about gift-giving in church — aren’t we supposed to be focused on the more “church-y” parts of the season? Of course, not all gifts in this season come under a tree. The story of Jesus’ birth is, in a way, the most perfect gift there is ... God’s gift of Jesus — the gift of Emmanuel — God WITH US.

And as we celebrate this wonderful story, this great gift of God with us, it is only right that we also share our joy with others, and so today, I want to talk especially about the Christmas Joy Offering that our congregation will be taking part in during this season of Advent. This offering is all about supporting leadership: past, present and future. This offering:

- provides assistance to current and retired church workers in their time of need.
- & it helps develop our future leaders at Presbyterian-related schools and colleges that are equipping & nurturing the racial & ethnic heritage of communities of color.

Caring for church workers who are in need and building leadership certainly seems to be a pretty great gift for a church to be giving at Christmas time! And, whether the perfect gift for *you* is the newest LEGO set or video game, the perfect gift that we all share is the great gift of God being with and living among us — Emmanuel.

Now, your parents may have gotten a little flyer in the mail about the **Christmas Joy Offering** with a nice colored stained-glass image from Illustrated Ministry. I also sent out an email to all your parents that included a couple versions of this image, one is for you to color & the other is a card that you can send & share your JOY of this season with someone. AND, there’s lots of other activities too that you can do with your families during the advent season so I encourage you all to sit down with your parents & look through it all.

Jesus has called us to be active and involved in the work of his church in the world. **Matthew 25** is an initiative developed by the Presbyterian Church (USA) to help churches identify ways in which they can become vital congregations serving Jesus by serving “the least” among us in ways that make a difference for those served and for the church.

Participating in Matthew 25 could serve to:

1. Restart our strategic planning efforts and
2. Challenge our congregation to live into an active biblical ministry, by
  - providing a framework and exciting vehicle for us to continue the work we began before the pandemic to build congregational vitality;
  - becoming more actively engaged in dismantling structural racism and injustice and
  - summarizing and evaluating our current mission and outreach ministries that are a step toward eradicating systemic poverty.
3. Focus our efforts to make the best use of our resources with the best results

The Session is excited to learn more about being part of this initiative and is seeking volunteers from the congregation to participate in exploring how being a Matthew 25 Church can enrich our congregational life and ministry. Therefore:

You are invited to attend an exploratory meeting to learn more about the Matthew 25 initiative and help us map a course into the future of our ministry together. The meeting will be held **at 3:00 p.m. on Wednesday, December 16 via Zoom**. If you are interested in attending, please contact Denny Casey at [d.a.casey@gmail.com](mailto:d.a.casey@gmail.com) or Monica Stevens at [mlkstev@hotmail.com](mailto:mlkstev@hotmail.com) and we will make sure you get a Zoom invitation. We hope to see you there!

## Earth Care

The news on the environmental front is often depressive. This might lighten our thoughts:

***"Last year, the USDA said for the first time in 150 years that there were more farms in America instead of fewer. I think that's the single most hopeful statistic I know."***

— **Bill McKibben**

The Earth Care group is hopeful of a productive day on **December 19th**. Watch for forthcoming news.
