## Pastor's Corner

Rev. Mark Hinchcliff  
December 16, 2020

**“Let this be a sign among you, so that when your children ask later saying, “what do these stones mean to you?” then you shall say, “because the waters of the Jordan were cut off before the ark of the covenant of the Lord; when it crossed the Jordan, the waters of the Jordan were cut off, so these stones shall become a memorial to the sons of Israel forever.” Joshua 4:6-7**

Around my neck I wear two different designs of crosses, and a medallion of half a heart. Each were gifts to me from members of my family. The medallion reads, “Together or apart, God is with us”. I think I can count on one hand the number of times in thirty-five years that necklace has ever been off my person. I don't wear it as jewelry, I wear as a means of remembrance to tell the story of what each piece means to me. On my right wrist is a bracelet comprised of fishing leaders. This is a reminder of a spiritual leadership event called the “Walk to Emmaus”. The bracelet reminds others around the world to identify other believers in Christ and to tell the story of God's presence then and now.

Christmas this year, 2020, is a time of remembrance of the fresh hope that the birth of Jesus brings to us all in the gift of a fresh start on life and relationships forever. One of my favorite traditions is bringing the family together to decorate now two trees each year. What may take no time for some to decorate a tree, may take our family days to complete. You see we all take turns carefully unwrapping each ornament which sparks one of us to tell the story of what memory each one evokes. If one may have been too young at the time to remember that story, it has now been passed on to the next generation when we're gone on to be with God.

The Holy Scriptures, like the memories of our lives, are just waiting to tell the stories to new listeners so the Word never ends. God's Word as we've seen during the pandemic will never be silenced and neither should your witness to those memories. Joshua 4 remembers the story of God's chosen crossing the Jordan on dry land into “The Promised

Land". Stones were left behind to memorialize the tribes of God's promise. But without the story, those stones are just rocks. Without your story of God's presence in your lives, your life may go unnoticed. In your actions or in your speech tell your story today.

Blessed be your days,

Pastor Mark

## Christmas Joy Offering

 CHRISTMAS JOY  
SPECIAL OFFERINGS  
LEADERSHIP, PAST, PRESENT, AND FUTURE

**The Christmas Joy Offering** has been a cherished Presbyterian tradition since the 1930s. Contributions go towards developing and sustaining our leaders. By giving to the Christmas Joy Offering, you honor God's perfect gift of Jesus Christ. This offering is an appropriate response to nurture members of the Body of Christ in their time of need; funds of support are used to develop our future leaders and provide financial assistance to current and retired church workers. Half of the Christmas Joy Offering is distributed to the [Assistance Program of the Board of Pensions of the PC\(USA\)](#). The other half of this offering provides leadership development and education at [Presbyterian-related schools and colleges equipping communities of color.](#)

The [Special Offerings of the PC\(USA\)](#) are celebrations of specific ways God has been made known to us. Each is connected to a season of the church year and mandated by the General Assembly to help the whole Church join together in response to God's grace. They represent the largest, collective way Presbyterians come together to work for a better world. The Offerings actively engage congregations in ministries of compassion, justice, hunger, Christian formation, education, peacemaking and global witness. We join other congregations in making an impact on the world.

Each year during the Advent and Christmas season, we turn our eyes to Bethlehem and celebrate the wondrous gift of Jesus Christ, our Savior. How may each of us honor God's perfect gift of his Son? What a loaded question to ask during Stewardship season! With all that God has given to us, how do you respond? How can you respond to the Love of Christ as you give and receive any and every gift this Christmas season?

Let us ask the Lord to teach us how to best respond as we read the Bible and pray for one another. God has blessed the Church with incredible leadership in every time and place. We need each other and your giving, participation and feedback is a gift! Leaders often need to be supported by their communities as well. God designed us to be social creatures, and our culture works most efficiently when we each turn to Jesus Christ and follow Him. We are blessed to have many mature believers at First Presbyterian Church who love, encourage and lead us.

Contributions for the Christmas Joy Special Offering can be made at [www.presbyterianmission.org/christmasjoy](http://www.presbyterianmission.org/christmasjoy) or mailed in to the church office.

***Reminder: Please turn in your pledge cards if you haven't done so yet. Let us be the church together and respond to God's love and grace for each of us.***

## Earth Care

The news on the environmental front is often depressive. This might lighten our thoughts:

***"Last year, the USDA said for the first time in 150 years that there were more farms in America instead of fewer. I think that's the single most hopeful statistic I know."***

— Bill McKibben

The Earth Care group is hopeful of a productive day on **December 19th**. Watch for forthcoming news.
